Help shape the \$1.5 million Central BESS Community Benefit Fund

The Central BESS project has been approved, and we want to make sure the benefits stay local.

We've committed \$3.6 million through our Benefit Sharing Program to support project neighbours, the local community, and First Nations partners.

Have your say on the \$1.5 million Community Benefit Fund

Bring your questions, share your ideas, and help shape how the fund delivers real impacts for Bouldercombe and the region.
